JUNIOR FIREFIGHTER HOMEWORK CHECKLIST

Dear Mom & Dad,

Today in school Fireman Jim taught us all about fire safety and prevention in our home and I am almost qualified to receive a certificate naming me as an official Junior Firefighter. I have only 2 more activities to finish, but I need your help since it involves our family and our house.

1. The first thing we have to do as a family is to develop an emergency escape plan from the house. It is pretty easy to do and I can show you what I learned about it in school today.
2. I learned a lot about fire prevention today, and the second thing is for us to talk about fire safety around our house, especially in the kitchen, and I want you to show me all of the smoke detectors and fire extinguishers we have in the house.
